*[QUOTE \(in "Alexandrite of Brésilia" by Andrei Vesselovski on Jan 17 2011, 08:25 PM\)](#) Hi Chris,  
You can contact [David Wein jewelers](#). They have an office in Bangkok, Thailand and they specialize in [alexandrite jewelry](#). They also buy and sell [loose alexandrite gemstones](#) online.*

*Good luck.*

Hello Mr. Vesseloski ...do you think that will be preferable to have both with me and go to the Japan with ? for some collectors or which way will be my best move...I have now the time to go at Silom 20 and I will be back to you...thank you again...
